

2023 GRANT GUIDELINES

The Carmel Woman's Club (CWC) provides grants to Monterey County nonprofit organizations with a Carmel Community focus.

CWC GRANTS

Each year, the CWC determines where its available grant dollars can be invested for greatest impact in our community. Using these grant making guidelines, the CWC Philanthropy Committee carefully reviews grant applications and recommends a slate of grants once a year to the CWC board, which has final authority in grant decisions. Funding proposals will be considered in 2023 for grant making priorities described below.

2023 GRANTMAKING PRIORITIES

The CWC seeks to support nonprofit organizations that provide important community resources and services in Monterey County with a Carmel Community focus. Funding will be considered for the following types of requests within these five key priorities:

- Women
- Seniors
- Youth
- Arts
- Community Outreach Services

GRANT AWARD

Grants are expected to range from a minimum \$300 to a maximum of \$600. The number and size of grants awarded may vary depending on the Philanthropy Committee's assessment of the impact of the nonprofit within the community and the number of grant requests received. Grant recipients will be expected to use all funds and provide a written evaluation of the project within 11 months from the grant date.

Funding decisions will be announced in late November/early December.

Funding will be considered for the following types of requests:

- Program Support: for the expansion or refinement of existing programs, as well as new programs that show the promise of immediate resident benefit (during the award period) and sustainability.
- Operating Support: unrestricted grants to organizations
- Organizational Development: to strengthen or enhance the internal capacity and infrastructure of organizations that have a proven track record of community benefit in the Carmel/Carmel Valley/Monterey County area.
